

Welcome to The Sideline Project!

I am thrilled to welcome your club as a Sideline Project Partner – as we collaborate to Make Youth Soccer Better. The Sideline Project is a movement to create a more enjoyable youth soccer experience for players, parents, coaches and referees by educating coaches and parents about sideline behavior.

We invite you to take the Sideline Pledge.

You'll watch a 2.5 minute video, read the Sideline Pledge, and then add your name to the Virtual Pledge Wall! In the quick and engaging video, you'll learn about the three types of sideline behavior, so you can frame your behavior a bit more intentionally and try to always support the players and referees on the field.

You can find the pledge at TheSidelineProject.com!

The Sideline Project has been developed by the Soccer Parenting Association. Our mission is: **Inspiring Players by Empowering Parents.** We want parents to understand the power they have to ensure their child is inspired by the game and we are here to help! We believe that collaborative relationships between parents, coaches, clubs and players is in the best interest of player development.

Partnerships, such as the one we have with your club, build important momentum in our movement. Please take a moment to thank your club leadership for their desire to be involved in this important Project.

Welcome to The Sideline Project – let's Make Youth Soccer Better, Together.
